15 August 1955

MEMORANDUM FOR THE RECORD

SUBJECT: Burial Packaging

1. This date called [redacted], ORDTB, and asked him to inquire 25X1 of the tests being run by NOL on the La Voie container. Mr. Shay, their representative, had contacted [redacted] extension [redacted] OL, and 225X1 stated that the following men at NOL are testing the container:

- a. Giger, Ext 764, Chief, Heat Test Division
- b. McClellan, Packaging
- c. Witters, ext 8316

2. [redacted] will inquire into NOL's results on testing the 25X1 container.

[redacted] 25X1

:mt

16 August 1955
[redacted] reports that Giger and 25X1 Witters work for McClellan. Mr. McClellan reports that they have seen the container but have no interest in it, and are not testing it. He does believe that NOL is testing the container and will inquire

[redacted] 25X1
